

## ABOUT VIRGINIA BREEZE BUS LINES

Virginia Breeze Bus Lines is an intercity bus service that connects communities across the Commonwealth along four routes: the Valley Flyer, the Piedmont Express, the Capital Connector, and now the Highlands Rhythm. Together, these routes serve the New River Valley, the Shenandoah Valley, the Piedmont region, Virginia's Racing Region, the Virginia Highlands region, and Northern Virginia. Three of the four routes have stops at Dulles International Airport and D.C.'s Union Station, making it easy for passengers to catch a plane, a train, or another bus to towns and cities across the country and beyond.

## BENEFITS OF THE SERVICE

Virginia Breeze Bus Lines offers benefits to the Commonwealth, its communities, and its residents.

### The service:

Increases tourism across the Commonwealth.

Brings economic benefits to each community it serves.

Provides reliable transportation 365 days a year.

Serves areas that have limited transportation options.

Offers affordable fares — increasing transportation access for underserved groups.

Provides a safe ride with comfortable seating, free W-Fi, restrooms, and luggage storage.
